LONG AND LAID-BACK.

You enjoy long, laid-back rides, but would you also like to be able to ride technical trails on the very same bike? Are you tired of wearing yourself out on climbs and not having enough energy left to make it further on your cross-country tours? Would you like to ride a trail e-bike that's equipped to the highest standard but is still affordable?

If your answer to these questions is YES, then we have the perfect bike for you: the new NOX HYBRID XC TRAIL – a bike for everyone who wants to push themselves beyond their limits.
