### ENDLESS ADVENTURE.

Looking for a carefree package for long leisurely tours, an offroad commuter or a packhorse for everyday use, which never shies away from unpaved roads? A bike that should be challenging, yet pleasant to ride, and rich in variety at the same time? A bike that conveys a sense of security and impresses with intuitive, sweet-tempered handling? A bike that is completely state of the art with real power as well?

If your answer to these questions is YES, then we have the ALL-ROUNDER among e-bikes for you: the NOX HYBRID TOUR 5.1 – a bike that never shies away from a demanding trail, yet also greatly reduces the load for you.
